

BROADBAND INTERNET INTEREST

HAYWOOD COUNTY

Name: _____

Service Address: _____ City: _____

- I currently DO NOT have internet service at my home.
- I currently DO have internet service at my home.

My current Internet Provider is: _____

The speed of my current service is:

- Less than 10 MB
- Less than 25 MB
- More than 25 MB

How reliable is your current service?

- Never reliable
- Reliable some of the time
- Reliable most of the time
- Reliable all of the time

Please check all that currently live in or situations that apply to your household:

- K-8 grade student(s)
- 9-12 grade student(s)
- College or above student(s)
- Home based business
- Adult works from home
- Has a Smart TV
- Has a web-based security system
- Has web-based Smart device(s) (T-stat, lighting controls, video doorbell, Echo Dot, Amazon Alexa, Google Home, etc)

Check all that apply to household: If we had access to high speed internet we might:

- Enroll in college and/or take online classes
- Start a home-based business
- Have an opportunity to work from home
- Get a Smart TV
- Get a web-based security system
- Get web-based Smart device(s) (T-stat, lighting controls, video doorbell, Echo Dot, Amazon Alexa, Google Home, etc.)

If I had access to reliable high-speed internet for my home or business, it would improve the quality of life/business by:

I realize that I am not obligated to subscribe to internet or phone service provided by STEMC if they receive a grant and provide services to my area, but I support STEMC's plans to build out a fiber network to provide these services to our rural community.

- Yes
- No

Thank you for completing this questionnaire. Your input will be valuable to the process of bringing broadband internet to your community.
